## Our Back Ground

Victorson security group Limited is a security organization registered and licensed by the government of the republic of Uganda. It comes with diverse specialized professional security management skills and expertise gained from Uganda and international renowned security agencies, Nato, Usarmy, ISAF, US-DoD, US-DoJ etc. Our personnel's are globally security & investigation oriented (mostly served in Middle East on global war against terror to create global peace) investigation and security protection is what we know and do best.

### Mission :

To position the business to become the leading brand in the private security services industry in the whole of Uganda, and also to be amongst the top 20 private security outfits in Africa within the first 10 years of operations.

### Vision Statement

Our vision is to build a private security company brand that will become the number one choice for Government & both individual clients and corporate clients in the whole of Uganda and Africa.

### Core Values :

*Integrity , Team work , Responsibility .*
